Mr. Rogers

In honor of Mr. Rogers and what would have been his 80th birthday, Mr. McFeely -- aka David Newell, the public relations director of Family Communications, Inc., is encouraging everyone the world over to wear their favorite sweater on Thursday, March 20. This will provide a fitting end to the "Won't You Be My Neighbor?" Days celebration that has been taking place around the city this week. For more information, check out these links:

Brentwood Library will also be celebrating Sweater Day, along with the One Book, One Community memoir *I'm Proud of You: My Friendship with Fred Rogers*, by beginning its Sweater Drive on March 20. Please bring your gently used sweaters (for all ages) to library through May 31 and they will be donated to families who need them.

In the words of Fred Rogers, "All of us, at some time or other, need help. Whether we're giving or receiving a sweater, each one of us has something valuable to bring to this world. That's one of the things that connects us as neighbors – in our own way, everyone is a giver and a receiver."

World Health Day

April 7 is World Health Day and it marks the founding of the [World Health Organization \(WHO\)](#). This year's theme is "protecting health from climate change." According to the WHO, this theme was selected "in recognition that climate change is posing ever growing threats to global public health security." For more information, check out these resources:
