

Shaler North Hills Library

Adopt-an-Author Program

I agree to sponsor an author at the Shaler North Hills Library for one year. The library will handle all issues related the purchase of the title. I understand that I am to choose an author, subject, genre appropriate for a medium sized public library and in accordance to the library's collection development policy. (For example, we do not purchase items suitable for academic or trade school libraries.)

I understand a bookplate will be placed in the book stating that I adopted it and I will be the first to checkout that particular book. I will be alerted when the new book is about to be released.
