

# Shaler North Hills Library

## Adopt-a-Magazine Program

I agree to sponsor a subscription to the magazine listed below for the Shaler North Hills Library for one year. The library will handle all issues related to the subscription.

I understand that I am to choose a magazine from the current library subscription list. If not, the subscription must fall under the library's collection development policy. (For example, the library does not purchase academic journals.)

I understand a bookplate will be placed on the front cover of all issues stating that I adopted it and all issues will be available to circulate for 1 week (except the most current issue) according to the existing magazine policy.
