

Evergreen Patron Interface Taskforce [EPIT]
Steering Committee Report
Thursday, 26 May 2011

Members of EPIT have started to focus on the following:

Catalog features:

- OPAC display
 - Accessibility
 - really small font
 - Bibliographic record display
 - Full record three clicks in
- Searching
 - Would like to request more formats in the test database
- Social Media
- Mobile devices
- Library cards
- My account features
 - Online registration
 - Holds
 - metaholds
 - Renewals
 - RSS feeds
 - Blogs
 - Featured lists
 - Personalized feeds
 - Bookbags
 - E-commerce
 - Fines
 - Donations
- QR codes - wish list
- Future directions - what should the catalog become

We have experienced some confusion/disconnect as to the difference between investigating/testing in King County's catalog/ILS and the EIN test environment. We are unsure about many features, as we cannot really access all aspects of the King County ILS only the catalog. Is there any way to update the GAP list as to available features?
